

Super Natural Food For Your Skin

Ormus Oil offers four high vibrational products to nourish and nurture your Being. This is a complete and holistic treatment for your skin made from nature's finest minerals, mono-atoms and oils. These elements are structured and charged into superconductive states using sacred geometry, nature's codes and ancient alchemy techniques. The products will restore, rejuvenate, revitalise and replenish your skin leaving it hydrated, healthy and glowing. They will also help diminish wrinkles, lines and any scarring.

An exceptional live and all natural skin super food, free from sulphates, parabens, petrochemicals or any other harsh substances.

These products are living and in a high vibrational state, it is recommended that they are used within 3 months of purchase.

HIGH FREQUENCY SKIN FOOD

Ormus Oil is a high frequency living super food that has been geometrically arranged through vortex implosion which is nature's most advanced structuring, energising and creative tool. **Ormus Oil** is then induced and charged with magnetic fields and Pyramids to raise the frequency by allowing the liquid crystal to align with its higher vibrational template.
